

Claim No: 73908201

Co. 3 Reg't.

On this day and date below written, personally appeared the affiant whose signature is hereto affixed and who being duly sworn according to law testified as follows:

"My name is Louis J. Indsburg I am 33 years old, and

I reside in Baltimore, Md. at No. 301 Hanover Street.

I am son of Joseph M. Indsburg by Mary J. his second wife. I note the name written on marriage license Mary T. The middle letter looks like T but I was evidently intended as mother's name was Mary Jane Indsburg. I have heard father say over and over again that his first wife Lucy only lived about a year after her marriage and that she had her buried in Old St. Alphonsus's burial ground. That said burial ground has since been done away with. There was no issue living of his first wife and I know none of her people and none who were even acquainted with her. She was an English woman & had only been here a very short time when she died. We do not know what part of England she came from. I do not know any persons who knew father in his youth as that goes so many years back. Father originally came from Germany. I am positive that if his first wife Lucy survived his marriage to my mother the fact would have come to my knowledge. Claimant has not remarried.

Witnesses to signature of Affiant:
